welcome

Welcome to Vision Ward Furniture from Renray Healthcare

Our new collection of colourful bedside lockers, patient and visitor chairs and tables will add stylish colour solutions to create positive healthcare environments.

With all furniture available in a selection of exciting colours, the Vision Ward Furniture Range was chosen with Renray's extensive experience in interior design and in consultation with key NHS contacts who deal with colour selection within hospitals. A variety of modern, bold and bright colours create positive ward areas for patients and visitors to enjoy.

At Renray we have been producing high quality furniture for 50 years and are one the UK's largest and leading suppliers to the healthcare sector.

We understand that you are purchasing furniture for the long term and that you require products that are both fit for purpose, stylish and will continue to perform their function well into the future, which is why we design and build our furniture with you in mind.

Specially designed for use by the NHS

dusky

VISION Specifications and options

VISION Chair frame wood finishes

Antibacterial coating on all wood finishes for hygiene protection.

Wooden frames are supplied with an antibacterial coating. This coating incorporates an active agent which prevents bacteria surviving when in contact with the coated surface. Independent laboratory tests prove that antibacterial coated products have a 99% kill rate of bacteria within a 24 hour period. Continuing to kill bacteria for the life of the coated surface.

Wood finishes

All Renray products are available in the following choice of standard colour finishes:
Wider colour options are available for specific projects on request.

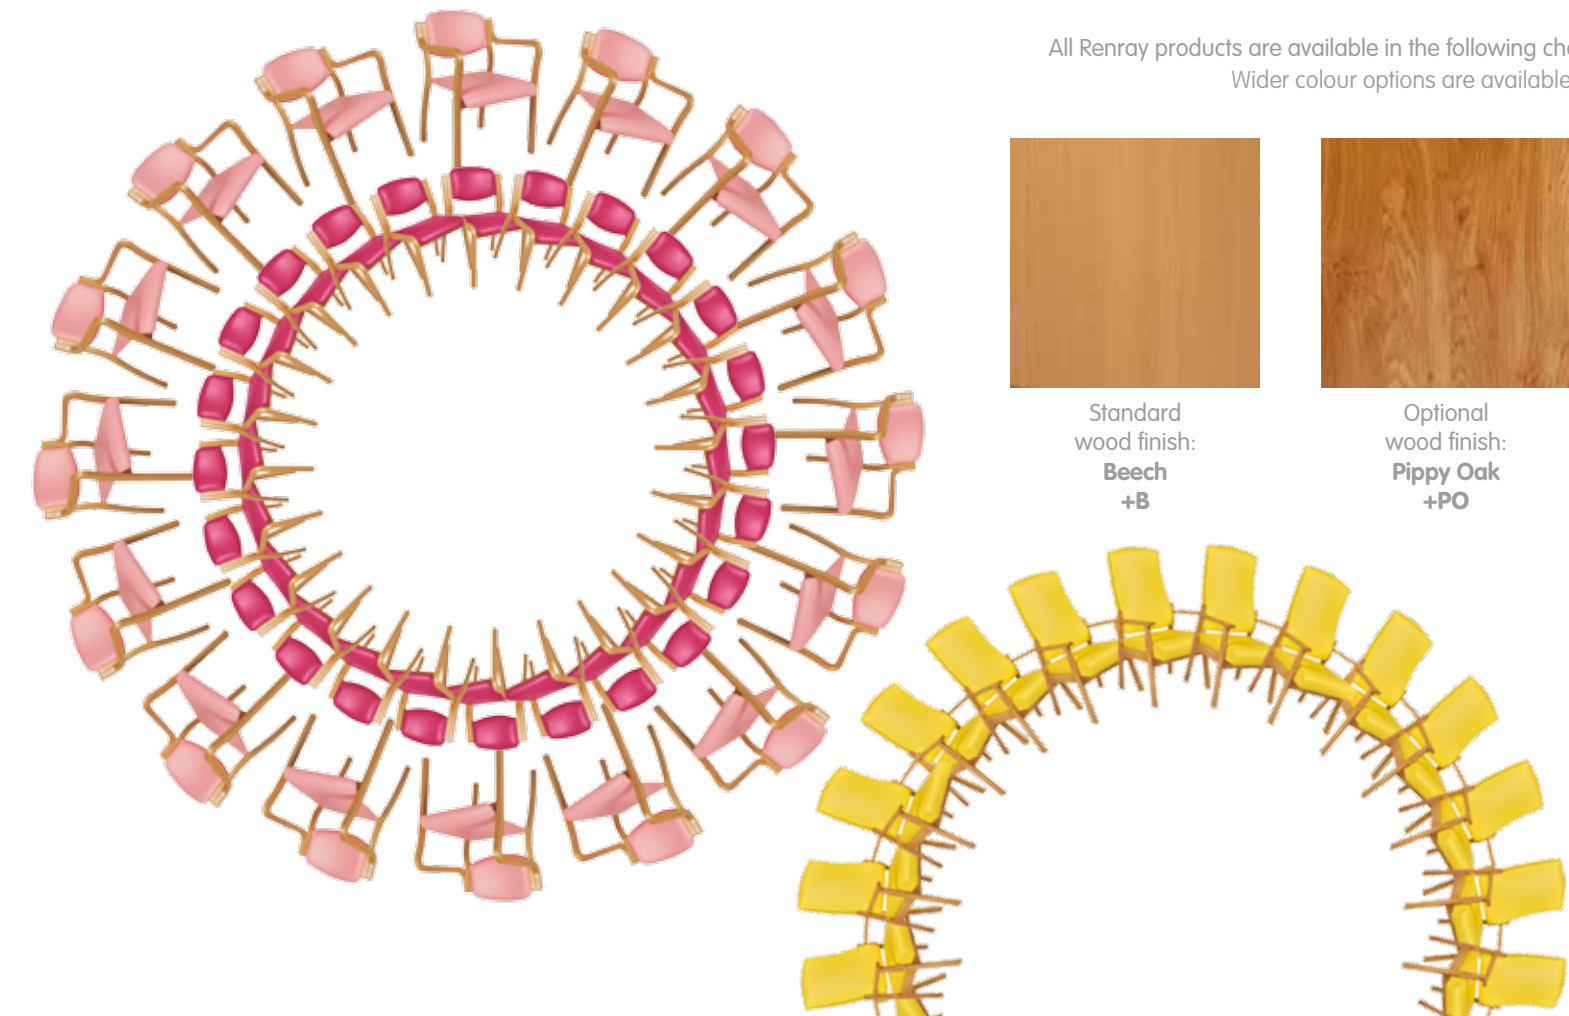

Standard wood finish:
Beech +B

Optional wood finish:
Pippy Oak +PO

Optional wood finish:
Odessa Golden Oak +OGO

How we do it

When you work with Renray, you're in very good company. Good for many reasons.

- In-house logistics with weekly delivery service to all areas in the UK and Ireland from our 38 swap body fleet
- Products are delivered by our own team of experienced, DABS checked, uniformed drivers
- Free room placement unpacking and free packaging removal
- Highly trained staff with many years' experience in the careful treatment of installing turnkey solutions.

Renray Healthcare is a member of the British Contracting Furniture Association and has agreed to the membership code of practice, which is a commitment to providing outstanding customer satisfaction. Membership number: 277/1112/P

Renray Healthcare is a member of the British Healthcare Trades Association and has undertaken to abide by the BHTA Code of Practice. Membership number: 0004074

Renray Healthcare is accredited within the Contractors Health and Safety Assessment Scheme.

It's all under control.

When ordering any Renray product you have the peace of mind of knowing that we have been audited and accredited and have the necessary standards and business controls in place. We have achieved **ISO 14001** for our environmental management systems, **OHSAS 18001** for our health and safety management systems and **ISO 9001** for our quality management systems.

These are the professional business standards when dealing with at risk and vulnerable clients.

We're friendly to our surroundings.

Our policy is to provide and maintain working practices that have the least detrimental effect on the global environment and therefore at Renray we are FSC certified. We operate a lean manufacturing process whereby all our products are made to order by our highly skilled workforce.

The mark of responsible forestry
